First Grade

Good shape, prime free or practically free from defects may carry light to medium healed scars, and/or parasite marks, and/or knife cuts near the skin edges.

Seconds

May be slightly misshapen, some unhealed scars or parasite marks, frequent healed scars, and/or small knife cuts, or other defects, in the prime area.

Thirds

May be slightly misshapen or show unhealed scars and/or parasite marks. May have knife holes and include defects such as bruising that will reduce the usable area of the skin other than for printed leathers.

Fourths & Rejects

These skins are excluded from offer and are sold to the domestic market.
