

Sheep and Lamb Skins

Sheepskins:

Australian meatworks drum salted sheep skins are head trimmed, pressed and packed on to wooden pallets for export.

Skins are available with varying wool lengths, regular size 7 Sq Ft plus averaging between 8 - 8.5 Sq Ft , wool quality is generally offered basis 50's plus however both finer and stronger types are available.

Individual offers will specify selection where applicable, a typical offering would consist of selection 70/20/10 1/11/111 or 80/20 1/11 grades.

Wool Length	SA	WA	Victorian
Bare-¼"	6000	6000	6000
¼ - ½"	5000	5500	5000
½ - 1"	4000	4000	4000
1 - 2"	2800	3000	3000
2"up	0	0	0

Shorn Lamb Skins:

Skins are available with varying wool lengths, either regular size 7 Sq Ft plus averaging between 7.5 - 8.25 Sq Ft or jumbo size 8 Sq Ft plus averaging approx 9 Sq Ft, wool quality is Good/Super and generally offered basis 50's plus however both finer and stronger types are available.

Individual offers will specify selection and seed content where applicable, a typical offering would consist of selection 80/20 1/11 grades with only some minimal rib in the necks and the skins being free of visible seed in the raw condition.

	Regular	Jumbo	Regular	Jumbo	Regular	Jumbo
1½ - 2"	3000	2800	3400	NA	3400	3000
2 - 3"	2800	2400	3200	NA	3200	NA
3"up	2200	NA	NA	NA	NA	NA

Sound Skins

Good shape, free from deep flay marks and knife cuts, free from visible seed. May include light rib, particularly in the neck area.

Seconds

May include light rib and skins with occasional neck and/or flank cuts and/or faults. Skins may show some light seed in the belly region. Otherwise free or practically free of seed.

Third Grade

Skins may have cuts, medium rib, light to medium seed or be misshapen - however the prime area is given to be free of serious defects.

Damaged

Pelts showing heavy rib and/or seed damage and/or misshapen or otherwise damaged. All extremely badly damaged or inferior pelts are excluded.

Please note: The above specifications are subject to change without notice.
